S.H.A.P.E. Partners

Revised 4/11

**The partners of
Stop HIV/AIDS & Addiction through Prevention & Education**

We are recruiting 150 women for a study on the effects of an HIV and substance abuse educational program. Participants must meet the following criteria:

- **African-American**
- **Female**
- **Age 50-65 years old**
- **Single but sexually active**

Participants in this study will receive a monetary gift, information, fun and much more!

If you would like to participate in this study, please contact the S.H.A.P.E. office at (313) 736-5541.
