**SEMCA Regional Substance Abuse Needs and Asset Assessment  
Law Enforcement Survey**

1. What does the term substance abuse mean to you?
2. Describe your community's \_\_\_\_\_ attitude  
(write in community name, e.g., Allen Park, Monroe County)  
towards substance abuse (e.g., zero tolerance, accepting of substance abuse, in denial that there is a problem)?
3. How do you define substance abuse prevention?
4. How big a problem is substance use in your community for the following age groups?  
A) Teenagers -11 to 17 years of age: 1. Small: \_\_\_\_ 2. Medium: \_\_\_\_ 3. Large: \_\_\_\_  
B) Young Adults – 18 years of age to 21: 1. Small: \_\_\_\_ 2. Medium: \_\_\_\_ 3. Large: \_\_\_\_  
C) Adults - 22 years of age to 54: 1. Small: \_\_\_\_ 2. Medium: \_\_\_\_ 3. Large: \_\_\_\_  
D) Older Adults - ages 55 and older: 1. Small: \_\_\_\_ 2. Medium: \_\_\_\_ 3. Large: \_\_\_\_
5. What drugs are used most frequently in your community by the following age groups?  
A) Teenagers -11 to 17 years of age: \_\_\_\_\_  
B) Young Adults – 18 years of age to 21: \_\_\_\_\_  
C) Adults - 22 years of age to 54: \_\_\_\_\_  
D) Older Adults - ages 55 and older: \_\_\_\_\_
6. What do you think are the top two reasons persons in your community use drugs by the following age groups?  
A) Teenagers -11 to 17 years of age: 1: \_\_\_\_\_ 2: \_\_\_\_\_  
B) Young Adults – 18 years of age to 21: 1: \_\_\_\_\_ 2: \_\_\_\_\_  
C) Adults - 22 years of age to 54: 1: \_\_\_\_\_ 2: \_\_\_\_\_  
D) Older Adults - ages 55 and older: 1: \_\_\_\_\_ 2: \_\_\_\_\_
7. In your opinion are there enough substance abuse treatment programs in your community for these four age groups?
8. In your opinion are there enough substance abuse prevention programs in your community for these four age groups?
9. What prevention role does law enforcement play in your community?
10. What prevention role do the schools play in your community?
11. Where in the community do people go to for substance abuse treatment?
12. Are treatment programs accessible to persons who need them?
13. Are prevention programs accessible to persons who need them?

Section 1

14. What are the barriers to accessing area prevention and treatment programs?

  - B) Young Adults - 18 years of age to 21: 1. Small:       2. Medium:       3. Large:
  - C) Adults - 22 years of age to 54: 1. Small:       2. Medium:       3. Large:
  - D) Older Adults - ages 55 and older: 1. Small:       2. Medium:       3. Large:

Section 1

**Please read the following series of statements about why teenagers (11 to 17 years of age) use substances and indicate your level of agreement with each statement.**

4. Peer pressure is the reason teenagers (11 to 17 years of age) in your community use alcohol, tobacco, and other drugs.

1) Agree       2) Don't Know       3) Disagree

5. The influence of movies, music and TV is the reason teenagers (11 to 17 years of age) in your community use alcohol, tobacco and other drugs.

1) Agree       2) Don't Know       3) Disagree

6. Boredom or lack of recreation alternatives is the reason teenagers (11 to 17 years of age) in your community use alcohol, tobacco and other drugs.

1) Agree       2) Don't Know       3) Disagree

7. Depression is the reason teenagers (11 to 17 years of age) in your community use alcohol, tobacco and other drugs.

1) Agree       2) Don't Know       3) Disagree

8. Stress is the reason teenagers (11 to 17 years of age) in your community use alcohol, tobacco and other drugs.

1) Agree       2) Don't Know       3) Disagree

9. Parental attitudes that tolerate use are the reason teenagers (11 to 17 years of age) in your community use alcohol, tobacco and other drugs.

1) Agree       2) Don't Know       3) Disagree

10. Community norms that tolerate use are the reason teenagers (11 to 17 years of age) in your community use alcohol, tobacco and other drugs.

1) Agree       2) Don't Know       3) Disagree

11. Now still thinking about teenagers 11 to 17 years of age in your school district which two drugs do you feel are most frequently used among teenagers?

1) Alcohol                       2) Tobacco                       3) Marijuana

4) Crack                               5) Heroin                               6) LSD

7) Ecstasy                               8) Inhalants                               7) Cocaine

10) Speed/Methadrine       11) Prescription drugs       12) Other  (Please Specify for Other)

Section 1

12. In your opinion are there enough substance abuse treatment programs in your community for adolescents?

1) Yes:  2) No:

13. How do you define substance abuse prevention? \_\_\_\_\_  
\_\_\_\_\_

14. In your opinion are there enough substance abuse prevention programs in your community for adolescents?

1) Yes:  2) No:

15. Besides schools, where in the community are substance abuse prevention programs located?

1) community-based organizations:   
2) faith-based organizations:   
3) other: \_\_\_\_\_

16. What prevention role does law enforcement play in your community?

17. What activities does your school building or district engage in to prevent or mitigate substance use among students?

18. Are parents involved with prevention activities in your district?

1) Yes:  2) No:

19. How are parents involved?

20. How frequently does the school make referrals to Child Protective Services, law enforcement or the juvenile court due to child or parental substance abuse?

1) Never:  2) Seldom:  3) Often:

21. Please describe your school district's policy relative to substance possession or use?

22. How many students were suspended or expelled from school in the 2003-2004 school year for substance abuse possession or use? Please write in the number: \_\_\_\_\_

23. Did you suspend/expel more or fewer students in for substance use or possession in 2003-2004 than in 2002-2003? Please write in the number suspended/expelled in 2002-2003?

1) More students:  2) Fewer students:

24. How would you rate the quality of the prevention programs in your community?

1) Poor:  2) Fair:  3) Good:  4) Excellent:

25. How would you rate the quality of the treatment programs in your community?

**SEMCA Regional Substance Abuse Needs and Asset Assessment  
School District Superintendent Questionnaire**

1. What does the term substance abuse mean to you? \_\_\_\_\_
